## Support Black Education Excellence in Arizona

The Arizona Alliance of Black School Educators (AzABSE) invites organizations, businesses, and community partners to support the 12th Annual Teacher Leadership Summit.

This annual convening brings together educators, school leaders, higher education partners, and community organizations committed to advancing excellence and opportunity in education across Arizona.

Your sponsorship helps strengthen educator leadership, expand professional learning, and support students and schools across our state.

## ABOUT THE SUMMIT

### Partner With Us

The Teacher Leadership Summit is designed to inspire, equip, and empower educators who are committed to improving outcomes for students across Arizona.

The Summit creates a space where educators, school leaders, and community partners come together to share knowledge, develop leadership skills, and strengthen the future of education.

Your partnership helps support:

- Professional learning for educators
- Leadership development for emerging education leaders
- Stronger school and community partnerships
- Opportunities for students across Arizona

Expected attendance: **150–200 educators and leaders**

### Who Attends the Summit

Participants include:

- K–12 Teachers
- School Administrators and Instructional Leaders
- District Leaders and Superintendents
- Higher Education Faculty and Researchers
- Community Organizations and Nonprofit Leaders
- Education Policy Advocates
- Future Educators and Students

The Summit provides a valuable opportunity for organizations to connect directly with educators and leaders shaping the future of education in Arizona.

## Why Sponsor the Teacher Leadership Summit?

By sponsoring the Teacher Leadership Summit, your organization demonstrates a commitment to strengthening education and supporting educators across Arizona. Sponsors gain meaningful visibility while helping expand professional learning opportunities for educators shaping the future of our schools and communities.

Your sponsorship helps:

- Support leadership development for educators
- Expand access to high-quality professional learning
- Strengthen connections between schools and communities
- Advance educational excellence across Arizona
